**March 7, 2023
7:00 am - 12:30**

**Dean & Barbara White Community Center
6600 Broadway
Merrillville, IN 46410**

REGISTER AT:

<https://www.eventbrite.com/e/542823007227>

Registration will close on Friday, March 3, 2023 at 6 :00 pm

Are you a Trained Individual ?

"Trained individual" means an individual who is trained and experienced in the principles of stormwater management, including erosion and sediment control as is demonstrated by completion of coursework, state registration, professional certification, or annual training that enable the individual to make judgments regarding stormwater management, treatment, and monitoring."

CSGP – Appendix B

This training is designed to provide **Contractors, Developers, Site Design Professionals, Engineers, and MS4 Coordinators** with the needed information on the new **Construction Stormwater General Permit (CSGP)** requirements.

A 2023 Completion Sticker

will be provided at the end of the day and a **Certificate of Completed Training**

will be emailed to those that attend the entire session.

**CONTINENTAL
BREAKFAST
PROVIDED**

1. Construction Plan Elements
2. Erosion and Sediment Control/Project Site Management
3. Post-construction
